A B See D

Ian Breakwell
Joan Fontcuberta
Thomas Locher
Maruch Sántiz Gómez
Amikam Toren
Keith Tyson

One of those group shows that present themselves every now and then

All the works in the exhibition present a text. Image and text are inseparable, or one and the same. The texts have meanings but reading the words is a bit of a problem…

"...it is easier than understanding the texts because many people do not know how to read words..." (Maruch Sántiz Gómez)

There could be many more works, of course, but it's quite a small gallery
